AN INVITATION TO ALL THE IMPORTANT MALES IN OUR CHILDREN'S LIVES

Following the outstanding success of our previous events, we are repeating our special breakfast to celebrate Father's Day. This is an invitation to all our dads, grandfathers and uncles to come along to the school and enjoy a cooked breakfast with your child(ren) to show our appreciation of the important role you play in their lives .

What: Breakfast

Where: School Hall

When: Friday, 30 August, 7.50 am

If you are able to come along and to give us an idea of the numbers we are catering for, would you please fill in the slip below and return it to the school office. This is absolutely vital to ensure that we have enough food – last year some people missed out. The return slip will go into a lucky draw to win some prizes. The draw will take place after the breakfast and should you win, the prize will be given to your child to bring home.

We look forward to seeing as many of you there as possible.
