27 August 2019

Current Roll: 503

Social Media: Interactions via social media has ongoing impacts for schools. In this technological world, it is vital that parents and caregivers involve themselves through discussion and supervision. You need to know what your children are doing on their devices.

Class/Portrait Photos: You still have time to get your orders in for the class photos, being taken next Tuesday 03 September.

Saturday Netball: Last Saturday was the final round for the 2019 competition. I would like to take this opportunity to congratulate all our players for your enthusiasm and reliability. You, as always, represented West Harbour School brilliantly this year. A huge thank you must go to Judith Puch who organised the teams, Richard Olsen who organised the Wider West Netball competition and umpired every Saturday, to all the coaches and team managers, the parents who ran the sausage sizzle, teachers who came along to support the teams. We are in the process of applying for funding to upgrade our courts, so keep your fingers crossed.

Updating of Contact Details: If you have a change in your contact details – phone number, address, new contacts, etc – it is essential to let the school know. In the event of an emergency we need to be able to contact parents/caregivers.

Fathers' Day Breakfast: Being held this Friday 30 August.

Get Aquafied: This campaign is beginning next Tuesday 03 September and we will send you more information by the end of this week.

Mid-term Break: This will be held next Monday 02 September and the school will be closed
